Republican Rally!!

JAMES H. HOWE,

The Republican candidate for Attorney General will address the people at the Court Room, on

TUESDAY EVENING NEXT.

The public are invited to attend. The ladies are especially requested to be present.

STATE FAIR GROUNDS.—The common council of the city of Milwaukee have tendered to the state agricultural society the free use for ten years of 30 acres of land for their annual fairs, upon condition that the society shall fence the same and erect suitable buildings for the exhibitions of the society, and hold their fairs there for that time. We think a proposition should be made from this city. Certainly, for the next ten years, no point would be more easy of access by railroads than Janesville, and if we make as good an offer as Milwaukee, we cannot see why the society should not accept it.

BEAR'S MEAT.—A portion of the meat of the bear killed, yesterday has been purchased by Wm. Mitchell, and will be served to order at his "Home Resturant," under Bennett & Bostwick's store. This is a rarity, which, with Mitchell's superior style of cooking, will make a quick demand upon his saloon.

A NARROW ESCAPE.—Saturday afternoon, while a horse belonging to Dr. Palmer was standing in front of Shelton's store, hitched to a post, and harnessed in a buggy, a man with a team attached to a wagon on which there was a hay-rack, attempted to turn his wagon in the street. Owing to the obstructions in the street, the horse of Dr. Palmer was struck in the side by a pole attached to the hayrack, and was crowded upon and over the post to which he was hitched. Becoming frightened at this usage, he cleared himself from the buggy, and rushed upon another post and broke it down. He then turned upon the sidewalk, and ran against Mrs. Denton, wife of F. H. Denton, of this city. Mrs. D., was thrown down the basement stairs of Tallman and Collins, and considerably bruised. Her escape from very severe or fatal injuries was remarkable.

CELEBRATION.—The citizens of Chicago intend to celebrate the opening of the North-western Railway, to-day. The excursion train will leave this city at 12 o'clock M. and reach Chicago at 3:30 P. M. This celebration will undoubtedly be a fine affair, and worthy of the commercial metropolis of the northwest.

BLACKSMITHING.—Attention is called to the advertisement of Hill & Cobb in another column. Mr. Hill's shop is at Monterey, where he has steadily persued his business for some ten years. His old customers and the public generally will be glad to hear that he has again taken his place at the anvil, ready to do jobs in his line with his accustomed promptitude and skill.

A BEAR KILLED NEAR THIS CITY.—On Sunday last a large black bear was seen in the woods just north of this city, by several persons. Yesterday a large party started out on a hunt. In the forenoon the bear was seen to cross the road and run down the bluff towards the river. He was overtaken by some young men who had no fire arms, but gathering up some stones, tried what virtue there was in them. They pelted bruin so effectually that he retreated up the hill and crossing the road ran into some low bushes. Mr. W. R. Hall came up at this time on horse back, and rode towards the bear, which stood its ground, and rising upon his hind legs prepared for battle. Mr. Hall gave him a charge of buck shot which took effect, and gave bruin a severe wound. After this Mr. N. P. Bump *shot* the bear in his side, and several other shots were fired at him—from the effect of all which he finally died. He was killed near the cemetery, just outside of our city limits, and his carcass was brought to the city, where it attracted much attention. Its weight was 380 pounds and was very fat. We have one of his paws in our office which measures five inches in width. He had a very thick coat of hair and was a monster in size, but was so fat that he was unable to run very fast. This is the only instance of a bear being killed in this vicinity for fifteen years. Why they are roaming from the north down this way in such numbers cannot be explained. Some think they are after the democrats who have called Gov. Randall bald head. As this is a theological question we will not attempt to decide it.

The meat of the bear, after being dressed, was placed in the market of Mr. Scarcliff, where it created almost as much excitement as Old Brown did at Harper's Ferry.

GERRIT SMITH'S HOSTILITY TO THE REPUBLICANS.—The following card is from a warm personal friend of Mr. Smith.

To the editor of the N. Y. Tribune—Sir: In two instances, in denying the assertion of the Express, that Gerrit Smith was a republican member of Congress, you have expressed your opinion that he voted for Fremont. This is a mistake. Mr. Smith did not vote for Fremont. From the very organization of the republican party he has steadily and consistently opposed it and its candidates. Personally, he was friendly to Fremont, but he felt that he could not without a sacrifice of principle, vote for him, and he *did not*, as I have heard him repeatedly declare.

Respectfully, WM. H. BURLEIGH,
No. 100 Wall Street, New York.

Proceedings of the City Council.

REGULAR MEETING, SATURDAY EVENING, October 29.

Present—The Mayor, Ald. Belton, Bates, Fredendal, Pease, Prichard, Shelton and Vermilye.

A petition from James Mahony for a license to sell liquors, was referred to the license committee. The committee disagreed in their report, and the matter was laid over until the next meeting.

The profile of the grade of that part of Court street between Main st. and the bridge was placed on file.

On motion of Ald. Vermilye, the rule was so changed as to make monthly meetings of the council, on the fourth Thursday evening of every month, and the next regular meeting was fixed on the 24th of November next.

An account of J. Proper for $2,00, and Fifield & Bro., for $1,80, were ordered paid out of the 2d ward fund.

The finance committee reported favorably on the following accounts:

Thomas Whalen, constable fees,	$18 32
Trask & Howland, team and buggy,	2 00
D. M. Russell, salary,	12 50
Miss Wells, teaching,	11 00
Dewey, Todd & Co., 70 tons of coal,	630 00
Mary E. Ames, teaching,	7 00
Wm. Booth, night watchman,	10 00
Francis Porter, "	10 00
A. H. Perkins, work on bridge,	30 00

The clerk was instructed to draw orders for interest to the 1st of January next on bridge orders held by Wm. Macloon.

Ald. Pease, Prichard and Vermilye were appointed a committee to make a settlement with George A. Hawkes, who was injured by falling in the street on the Old Stage House corner.

The Mayor was directed to retain $500 from the award made to A. M. Pratt.

The Treasurer was directed to receive in payment of the tax levied to pay interest on city bonds, the interest warrants due next February on school ...

Ald. Vermilye moved to lay out High street and Rock street in the 4th ward.—Adopted.

An appropriation of $100 was made to —— Morse, of Buffalo, on account of seats furnished the high school building.

An appropriation of $23 from the 2d ward fund was made to Wm. Dixon for grading and repairing Milwaukee street.

On motion of Ald. Vermilye, the aldermen of the 4th ward were authorised to contract for the building of crosswalks in the 4th ward where deemed necessary; and in connection with the aldermen of the 1st ward to build a crosswalk from the junction of Milwaukee and Pleasant street to the railroad depot, payable from the ward fund.

A motion to subscribe for 150 copies of the City Directory by Mr. Brigham, provided Mr. B. would procure a census of the city, was lost.

The city attorney was directed to instruct the treasurer in regard to an illegal assessment against J. M. Hanchett, and the council adjourned.

STEAM BOAT ON ROCK RIVER—AN ATTEMPT TO TEAR AWAY A MILL DAM.—W. R. Foster, during the last summer has completed a small steamboat at the Indian Ford, north of this city, at a cost of some $5,000. With this boat he proposes to navigate Rock river, but inasmuch as there are some slight obstructions in the way in the shape of dams and railroad bridges, he has not yet succeeded in running his boat a great distance, and the voyages have not been very profitable. The extent of navigation has been from Indian Ford to the M. & M. Railroad, about two miles. On Saturday last, Capt. Foster proceeded with his boat to the bridge, but abandoned his intention of going farther, in consequence of the opposition of the inmates of a garrison at the bridge. This fortification may have been noticed by railroad travelers, which is situated on the river, near the railroad bridge, and having the words "Fort Rock" painted upon it. We understand that a guard has been stationed there for the last two or three months for the purpose of watching and protecting the bridge.

We understand that the steamboat returned on Saturday afternoon to Indian Ford, and that *some* persons connected with it, attempted to cut a hole in the dam, for the purpose of allowing the boat to pass through. They were, however, arrested by Constable Burnham, before they had succeeded, and are now on trial before Justice Parker of this city. An attempt will be made to justify this act on the ground that Rock river is a navigable stream, and that all dams and bridges are obstructions.

Machine Declared Victorious.

No more shall the Needle, that Great Instrument of Human Tortur be forced upon the Poor Dying Seamstress.

And their worn fingers, young life ebbs away,
The angel enters spreading sunshine now,
And night the cheerless flees from golden day.

All hail! Elliptic Magic Shuttle, hail!
Your worth be known where ere these circulars float
And myriad tongues by hill and vale
Shall praise the work so well achieved by SLOAT.

These machines are now on exhibition and for sale on Milwaukee St, in this city, four doors west of the Post Office. Come one and all and see them, as they are far superior to any other, all affirm, who are acquainted with or have used the various kinds.

The Wheeler & Wilson machine I have tried,
The Grover & Baker and Singer beside;
And after long trial it must be confessed,
The Shuttle improved by Sloat is the best.
It labors with ease, with beauty and speed,
For tailors and sewers supply every need.
In all kinds of fabrics its works are complete—
For simple construction it cannot be beat.

Janesville City Directory

AND

BUSINESS ADVERTISER, For 1859 and '60.

THE undersigned having been solicited to publish a City Directory, has commenced the canvass and will proceed with and complete the work immediately. Having had a large experience in publishing Business Directories, and as I do the canvassing myself (not trusting it to careless and inexperienced agents) I feel confident in saying that I will present a better Directory to the citizens of Janesville for their support than any heretofore offered them.

The work will contain a history of the City from its earliest settlement to the present time. A complete list of housekeepers, clerks, salesmen, seamstresses, agents and all resident business persons, histories of all the churches, schools, &c., with an account of all public buildings, and if well supported, Illustrations of the City.

As the success of a work of this character depends upon the patronage at home, I hope the citizens of Janesville will appreciate the advantages to themselves of having a Reliable City Directory. There will be a large edition published and circulated, which will make it one of the best advertising mediums in the state, and it is hoped that our merchants and other business men will avail themselves of it.

Through prevision, I am enabled to cure many diseases that are beyond the reach of medicines. I have had 12 years' experience in this manner of treating diseases attended with great success in New York and Syracuse. I had a number of years medical practice before I became clairvoyant. Invalids suffering from old chronic difficulties, will do well to give me a call. Acute ill cases treated with new remedies discovered while in the superior state; these are especially applicable in fevers and sudden bilious attacks, which readily yield to the harmonizing influence of these medicines.
